## Summer Ministry In a Pandemic

Despite the challenges posed by the COVID-19 pandemic, God is still allowing us to reach children this summer! He provided two Christian Youth in Action missionaries, Rachel Buwalda and Diamond Henry, to serve with us during June and July. God's provision through these two missionaries has been so evident; they have been eager to learn and try new things as we navigate the world of virtual 5 Day Club ministry! As a result, our office was able to reach children with the Gospel in the Neeses, Bamberg, Orangeburg, and Williston areas! Going virtual has allowed us to reach children in areas that we normally would not be able to reach during the summer! Several of our partnering churches have been using our 5 Day Club material to make Vacation Bible Schools possible in their local churches this summer as well. Our mission has not changed! God still desires for children to know Him, and we praise Him for opening doors for this year's 5 Day Club program!

---

## Looking to the Fall

There are still many unknowns this fall's Good News Club program, but our office is committed to working with our local church partners to develop a strategy for offering Good News Clubs in the upcoming school year, whether that be through in-person clubs at the schools, in-person clubs in different locations, or virtual Good News Clubs.

As we make contact with both our district Superintendents and local church partners in the weeks ahead, please be praying with us for these requests:

- Wisdom for district Superintendents as they determine their reopening strategies
- That each child will have access to both the educational resources they need through their schools and spiritual resources through Good News Club
- Creativity and insight for the CEF Office and volunteer teams in determining the best way to move forward

## CEF Serves the Church

Is your church struggling to know how to reach the children in your congregation right now? We recognize that not all churches are currently able to meet in person, and most churches that are currently meeting are not yet able to have Sunday School or children's church activities. CEF is here to serve you!

Whether you are interested in adapting your ministry to a virtual format or looking for resources to share with the children in your congregation, we would love to help!

Contact Ellen Hucks, Local Director at 803-535-0061 or [ellen@ceforangeburg.com](mailto:ellen@ceforangeburg.com) to discuss how we can help serve your congregation.
